FOURTEEN PAGES—FIVE CENTS

7 Billion In Aid Bills May Be Passed Soon

Economic, Arms Help For Anti-Reds

Washington, Sept. 28.—(AP)—A vast \$7,124,000,000 program of economic aid and military support for the world's democracies surged close today to presidential signature.

The drive to foster recovery—behind a shield of American arms—shaped up into outlays totaling one-sixth of this year's \$42,000,000,000 peacetime record budget. These were the congressional developments:

1. A House-Senate conference committee approved a \$5,809,990,000 appropriation for recovery in Europe and elsewhere. Final, favorable votes are expected soon in both Houses.

2. Congress swiftly adopted and sent to President Truman a \$1,314,000,000 military aid program to arm the North Atlantic powers and six other nations against communism.

Spurred by Russia's atomic gains the House voted the arms aid by 223 to 109. The Senate's vote was by voice.

3. "Point Four" Sluggish—The point four program made only sluggish headway. Secretary of Agriculture Brannan told a House committee that the development of backward world areas is a global "Good Neighbor" policy. It will pay off in building future U.S. markets, he testified.

Final action this year remained doubtful, but Senate majority leader Lucas (D-Ill.) said it still may be taken up this fall.

The foreign economic bill provides \$3,778,380,000 to carry the Marshall plan through this fiscal year, ending June 30, 1950.

It also gives the economic cooperation administration \$1,074,000,000 for last April, May and June. In those months congress authorized European recovery outlays by ECA, but did not vote the funds. Three stopgap authorizations have been made since.

Aids Greece, Turkey
If, as expected, the bill clears both Houses and is signed by Mr. Truman in its present form within the next few days, it also will provide:

\$45,000,000 for Greece and Turkey; \$912,500,000 for army occupation costs in Germany, Austria, Japan, and the Ryukyu Islands.

\$110,000 for the congressional "watchdog" committee which keeps tabs on foreign spending.

ECA's share includes \$150,000,000 of lending authority, as distinct from cash. It will permit the launching of long-range western European industrial projects which cannot be completed when the Marshall plan ends in mid-1952.

The bill includes a compromise provision to save some additional German plants from being dismantled and removed to France and England as war reparations.

The Senate bill would have directed ECA administrator Paul G. Hoffman to review the dismantling program. This was toned down. The measure now calls for a survey only if he "considers it advisable."

It set up \$25,000 for the purpose.

Churchill Blasts Pound Devaluation As Disastrous

London, Sept. 28.—(AP)—Winston Churchill today called devaluation of the pound a lamentable and serious disaster for Britain and asked parliament to tie a cat to the back of the government.

The former prime minister who leads the conservative party ripped into Sir Stafford Cripps as a blundering chancellor of the exchequer who lacked foresight and turned "completely round like a squirrel in his cage."

Then he offered a motion of no confidence in the labor government. If the motion should be carried in the vote tomorrow, at the end of an emergency three-day session, prime minister Attlee would have to resign and take his case to the voters in a general election. However, labor has 393 of the 640 seats in the House of Commons.

The predominantly conservative House of Lords tonight rejected, 93 to 24, a government motion approving devaluation. It then adopted, without a record vote, an opposition motion criticizing the government. The Lords' vote carries little weight. The real test comes in Commons tomorrow.

SEEK OPPORTUNITY

New York, Sept. 28.—(AP)—Gen. Dwight D. Eisenhower urged Columbia University students today to seek opportunity rather than security.

"The best example of perfect security," the university head said in opening Columbia's 196th year, "is a man serving a life term in a federal prison."

Atomic Experts Meet To Boost U.S. Output

Washington, Sept. 28.—(AP)—America's top atomic experts hurriedly met today to speed plans for boosting this country's A-bomb output. At the same time the United States renewed its demand for strict international controls.

These were the highlight developments mushrooming in the wake of last week's disclosure that Russia now knows how to make the world's most destructive weapon:

1. Members of the Atomic Energy Commission and the Senate House atomic committee met behind closed doors to reassess "plans for the future with the view in mind of increasing and maintaining our present superiority" in the atomic field.

Senator McMahon (D-Conn.), chairman of the joint congressional group, told reporters afterward that the session was the first of a series scheduled to devise ways to build up a stockpile of A-bombs here. He refused to go into details, but indicated the urgency of the conference by announcing the two groups will meet again tomorrow.

McMahon also said the nation's top military leaders, the joint chiefs of staff, will join the sessions at a later date.

Gunfire Echoes In Coal Fields

TO BUILD VOCATIONAL TRAINING SCHOOL

Alton, Ill., Sept. 28.—(AP)—The Olin foundation will provide funds for construction of a vocational training school building for the Alton school district. Franklin W. Olin announced today.

The 82-year-old Olin, retired president of Olin Industries, Inc., did not say what the gift would amount to, but it was unofficially estimated at several hundred thousand dollars.

At present, the school district has only a small vocational training department. Tentative plans call for construction of the new building near the Alton high school.

Truman Flies To Missouri To Begin Congressional Race

Washington, Sept. 28.—(AP)—President Truman flew to Missouri tonight on a two-day visit expected to set the stage for a big Democratic drive in a hot congressional campaign in his home state next year.

The President will make one of his off-the-cuff talks at 9:30 p.m. (CST) in Kansas City tomorrow night at a testimonial dinner for William M. "Bill" Boyle, new Democratic national chairman.

Virtually the entire cabinet and top-ranking Democratic national leaders will attend the celebration in Kansas City's big civic auditorium. Boyle formerly was a police official there.

Mr. Truman took off at 6:42 p.m. (CST) for St. Louis. He planned to spend the night there and tomorrow morning will take part in ceremonies installing new officers of the Missouri Grand Lodge of Masons.

Although Mr. Truman has indicated he will stay out of the Democratic primary in Missouri—clear he expects to take an active part in the congressional elections campaign in November, 1950.

Russians Release 2 U.S. Students After 2 Months

Hamburg, Germany, Sept. 22.—(AP)—Two American college boys, named and pale from two months in Soviet zone jails, were released by the Russians today. The first thing they wanted was a good meal.

The two were Warren Oelsner, 20, of Oyster Bay, N.Y., and Peter Seiler, 19, of Radnor, Pa. They said they were arrested as spy suspects, handcuffed at times and held in "dungeons" below street level after bicycling into the Soviet zone July 31 without a Russian permit.

The U.S. military permit at Potsdam obtained their release after weeks of negotiation. Fresh American clothing was given them.

Oelsner's father, Warren Oelsner Sr., was on hand to greet them. He arranged for air passage tomorrow to take them back to the United States.

Young Oelsner did most of the talking. He said he protested about the food and the Russians slapped the two into what amounted to solitary confinement for 16 days.

Won't Ask Special Session To Give Aid To Cities

Springfield, Ill., Sept. 28.—(AP)—The Illinois State Federation of Labor today shelved a resolution demanding a special session of the legislature to help cash-poor cities.

Without debate, the 1,600 convention delegates referred the city aid question to the IFL executive board for "further study."

The resolution, offered by a Springfield delegate, said that "practically all of the cities in the state are in desperate financial circumstances."

It requested that Governor Stevenson call a special session to broaden the sales tax base and give the extra money to cities or lift the ceiling on city property taxes. The 1949 legislature rejected city aid bills.

Earlier, Stevenson bearded the convention and told delegates he "cannot understand" their opposition to state constitutional revision.

Two days ago, IFL President Reuben G. Soderstrom said the federation is "100 percent light" in its traditional opposition to having a convention rewrite the Illinois charter.

Stevenson declared it was a big disappointment to him when the legislature turned down his convention proposal.

Senate Votes To Scale Down Wage Hikes Of Officials

Washington, Sept. 28.—(AP)—The Senate voted 36 to 16 tonight to scale down the salary increases asked by President Truman for members of his cabinet and other top government officials.

Revising a House-passed bill, the Senate adopted an amendment which would boost the pay of cabinet officers from the present \$15,000 to \$22,500. The House bill provided for raising cabinet pay to \$25,000.

This action came shortly after the House approved its third big federal pay raise in 24 hours—a boost averaging \$113 a year for 885,000 U.S. civil service workers.

The measure, which now goes to the Senate, will cost an estimated \$95,062,000 a year.

There was no clamor for economy as the House shouted the bill to passage. Advocates argued that the raise is long overdue.

The amendment to cut cabinet pay boosts was offered by 19 Democratic and 14 Republican senators. It would also scale down proposed salary increases for other top federal executives.

Mother, Son, 16, Convicted In Death Of Elderly Man

Dover, Del., Sept. 28.—(AP)—Mrs. Inez Brennan, 46, and her 16-year-old son, Robert, tonight were convicted of first degree murder in the lonely hearts slaying of Wade Woolridge, 67-year-old Stone Mountain, Ga., carpenter.

The jury of ten men and two women recommended mercy for Robert, whom the state claimed shot the elderly Virginian at the insistence of his mother. No recommendation was made for Mrs. Brennan.

In Delaware a first degree murder verdict with no recommendation means death by hanging. The court, however, is not bound by any recommendation by a jury.

Under the Delaware law, Mrs. Brennan, who was charged with being an accomplice, cannot receive any greater degree of penalty than given her son.

The jury started deliberating at 3:40 p.m., and brought in its decision nearly five and one-half hours later.

In his charge to the jury chief Justice Charles L. Richards declared four verdicts were possible: first degree murder, second degree murder, manslaughter or acquittal.

2 Youths Accused Of Killing Cop To Get Jury Trial

Chicago, Sept. 28.—(AP)—A jury trial was assured today for two negro youths accused of murdering policeman David F. Keating Sept. 20.

The defendants, Roosevelt Bacus, 15, and Sidney Johnson, 17, were arraigned in criminal court before Judge Samuel B. Epstein.

The judge told court-appointed attorneys for the youths that he would accept no guilty plea nor consider waiver of trial by jury. A plea of innocent was entered for each defendant.

John S. Boyle, Cook county state's attorney, has announced that he will seek the death penalty for both defendants.

The state's attorney and police officials said earlier that they obtained detailed statements from both youths relating that Johnson shot the policeman nine times when the smaller War Plants Corp. and Department of Commerce Agencies during World War II, died today.

Judge Epstein set Oct. 14 for hearing pre-trial motions.

Illinois News Briefs

"Very Live Corpse"

Centralia, Ill., Sept. 28.—(AP)—The Rev. R. L. Thorp of the First Christian church here today borrowed Mark Twain's statement that "reports of my death are greatly exaggerated."

A rumor of unknown origin spread through Centralia that the minister died suddenly while attending an Illinois convention of the disciples of Christ at Decatur yesterday.

A member of his congregation telephoned the Thorp residence last night and was somewhat surprised when the pastor answered and assured her he was "a very live corpse."

Killed In Crash

Chrisman, Ill., Sept. 27.—(AP)—D. Dudley Parker, 42, of Danville, Ill., owner of the Danville Grapette Bottling company, was killed today when his car struck a bridge abutment near Chrisman, Edgar county.

Parker was en route to Terre Haute, Ind., where he was a partner in another soft drink bottling company. He is survived by his widow, Elizabeth.

Supermarket Burns

Sterling, Ill., Sept. 28.—(AP)—Fire today attacked a three-story brick building housing the Flowman Supermarket, causing damage estimated at between \$8,000 and \$10,000.

Police Chief Dies

Rochelle, Ill., Sept. 28.—(AP)—Ambrose Hodges, 85, Rochelle's first chief of police, who held the office for 38 years, died yesterday of a heart ailment. Hodges became chief in 1898 when Rochelle's population was 2,800. He retired in 1936 when the city's population had grown to 6,000.

Diner Robs Cafe

Peoria, Ill., Sept. 28.—(AP)—An armed robber who first enjoyed a steak dinner at a downtown cafe, today held up cashier Faye Flanagan and escaped with \$126. He did not offer to pay for his dinner.

Asst. Superintendent of Foods

Springfield, Ill., Sept. 28.—(AP)—Appointment of Frank J. Ryan of Chicago as assistant superintendent of foods and dairies was announced today by State Agriculture Director Roy E. Young.

McFayden Reappointed

Springfield, Ill., Sept. 28.—(AP)—Reappointment of Temple McFayden of Libertyville as chairman and member of the Illinois State Housing Board was announced today by Governor Stevenson.

A Republican, McFayden was named for a term ending in January, 1955. He has been head of the State Housing board since 1943.

To Continue Strike

Fairfield, Ill., Sept. 28.—(AP)—CIO Automobile Workers voted last night to continue their 12-day strike at Sneydoff Masters Manufacturing company here. The union seeks a new contract with more wages and revised pension and insurance plans. The maker of auto replacement parts is Fairfield's largest industry, employing 600 persons.

Menion For Burglary

Marion, Ill., Sept. 28.—(AP)—Three men were sentenced to two to five year prison terms each for burglary today by Judge L. M. Bradley.

Pleading guilty in Williamson County Circuit Court were Bernard Gilson, 22, and Ronald Burgess, 19, both of Moline, and Carl Smith, 24, Marion. They were accused of taking \$2 to \$3 and merchandise from each of four Great Springs stores and a Johnston City filling station last August.

Midwest Cities Begin Fight To Get Airplane Service

Washington, Sept. 28.—(AP)—Representatives of numerous midwest communities today urged speedy action to give their areas airplane service.

Though most witnesses told a civil aeronautics board examiner that they opposed single-engine planes on the 2,800 miles of routes involved in the parks airline case, all spoke for quick action to get service started.

The routes involved were awarded Parks airline of East St. Louis, Ill., by the Civil Aeronautics board several years ago in what it calls the Mississippi Valley North Central and Great Lakes area cases.

Parks has never started service. The board now must decide whether to continue or revoke Parks' certificates, to approve a plan for mid-continent airline of Kansas City to acquire Parks, or to make new awards to other applicants.

Senator Scott Lucas (D-Ill.), senate majority leader, appeared on behalf of his state and its interested cities to urge quick action on awarding the routes to an airline which could start immediate efficient service.

DETECTIVE CAPTAIN DIES

Joliet, Ill., Sept. 28.—(AP)—Edward Delaney, 66, former Joliet police captain of detectives, died yesterday. He served on the police force from 1908 until his retirement in 1933 after a gunshot wound.

Union Scorns Steel Proposal For Peace

Union Reports Strike At Ford Still Pending

Pittsburgh, Sept. 28.—(AP)—Big steel offered a 10-cent peace package to its workers today but got only union scorn in return.

Negotiations bogged down with the nation facing a steel strike Friday midnight. Federal mediators again rushed into the picture and one small steel company broke off negotiations entirely.

A day of rapid fire action brought these developments:

1. Industry leader United States Steel corporation proposed to settle the pension-insurance war by paying up to 10 cents an hour per man as its share of social security programs. Employees were asked to contribute about \$2 to \$3 a month for insurance and unspecified amounts for pensions, and to agree to a year's contract extension to April 30, 1951.

2. CIO United Steelworkers made no formal answer, but President Philip Murray issued a statement insisting the industry follow presidential board recommendations for company financed pensions and insurance. He accused steel of deliberately trying to force a strike. This was taken to mean flat rejection of Big Steel's offer.

3. The steelworkers made a formal presentation of previously stated demands. The union asked the six steel producing subsidiaries of United States Steel to agree to a 10-cent hourly pension-insurance package with the companies bearing the entire expense. That request closely followed recommendations of the presidential fact-finding board.

4. Cyrus Ching, director of the federal mediation service, sent aides to 45 key steel negotiating sessions in an effort to hasten a settlement. He indicated it was just about his last maneuver but did not close the door on some action by President Truman.

5. The Crucible Steel company broke off negotiations with the union, saying it could not afford to take part in a pension-insurance program regardless of whether employees chipped in.

At the end of the day's U.S. Steel union negotiations, Murray told newsmen:

"The basic situation remains the same. We will meet again sometime tomorrow morning. We submitted our proposal and they have taken it with them. I have had no contact with any governmental agency."

Murray said in an earlier statement which apparently answered the U.S. Steel peace proposal that negotiations are deadlocked. He added:

"It must be plain to all that the U.S. Steel corporation is deliberately seeking to force a steel strike on the union and on the American people."

Murray renewed his insistence that companies must pay all the cost of social security programs or be struck at 11:01 p.m. Central Standard Time Friday at expiration of the presidential strike truce.

GOP Campaigner Says Grass Roots Freedom In Danger

Peoria, Ill., Sept. 28.—(AP)—Everett M. Dirksen, republican candidate for U.S. senator, said today that "grass roots freedom is to be preserved."

The former congressman, of Pekin, told the annual conference of Illinois township officials:

"There is a crying need for vigilance, action and sacrifice if grass roots freedom is to be preserved."

He said the grass roots level is that at which citizens are first removed in their social, political and economic relations from "the fever of centralized, bureaucratic government."

County and local officials, he said, "are the closest to these people." State and local governments now are getting 55 per cent of their funds from the federal government, he declared.

"Bogey" Wins
Nightclub Fight
But Is Put Out

New York, Sept. 28.—(AP)—Humphrey Bogart, the Bad Man of Casablanca, won't be traveling the road to El Morocco for some time to come.

The plush mid-town night club of that name posted the "off limits" sign for Bogart after his second fracas of the year on the premises.

Two pretty girls did bumps-a-galaxy on the carpet, there were some (real) flying saucers, and when it was all over the film star was on both the sidewalk and El Morocco's blacklist.

It all started with a couple of pandas. Not real pandas—but those four-foot cuddly toys that give any normal woman a case of the giggles.

Bogart and his pal Bill Seaman, dropped into the club Sunday morning—pandas with their wives, but with no one each.

The inevitable happened. Miss Robin Roberts, a fashion model at another table, made a pass at Bogart's panda. He leaped up to grab it, overshoot, and tumbled Miss Roberts to the floor. Then Bunker Rabe made a pass at Bogart's panda, too.

There was a good deal of pulling and hauling and saucer flying until John and Mickey Jelke collected their girl friends and left. Then waiters gave Bogart and pandas a gentle leave-ho.

Bogart was probably ahead on points, but the Jelkes won hands down on conversation.

Their parting shot:

"He's beginning to believe his own scripts."

Ole Miss, which plays five night football games this fall, first played football under the lights in 1929.

Lincoln, Ill., Sept. 28.—(AP)—John Joseph Russo, 55, an AFL union business agent, died today of injuries suffered Monday in a highway crash on Route 66.

Russo of 1508 N. Kolin avenue, Chicago, and two other officials of the "Teamsters" Union Local 705, were hurt in a collision of their car with another driven by James P. Connolly, 25, of Bloomington, Ill., formerly of Terre Haute, Connolly is still in critical condition in a hospital here.

The three union men were enroute to the convention of the State Federation of Labor at Springfield.

With Russo were Mike Roman, 61, 6226 N. Leavitt street, Chicago, recording secretary of Local 705; William Martin, Sr., 44 6220 S. Western avenue, Chicago, a union steward. Both were seriously injured.

Offers 10¢ Per Hour For Welfare

Pittsburgh, Sept. 28.—(AP)—Big steel offered a 10-cent peace package to its workers today but got only union scorn in return.

Negotiations bogged down with the nation facing a steel strike Friday midnight. Federal mediators again rushed into the picture and one small steel company broke off negotiations entirely.

A day of rapid fire action brought these developments:

1. Industry leader United States Steel corporation proposed to settle the pension-insurance war by paying up to 10 cents an hour per man as its share of social security programs. Employees were asked to contribute about \$2 to \$3 a month for insurance and unspecified amounts for pensions, and to agree to a year's contract extension to April 30, 1951.

2. GRACE JUNIOR CHURCH TO RESUME SERVICES

Sunday morning, Oct. 2, at 10:45 o'clock, the Grace Junior church will begin its fifth year of service, in the church chapel, for all children of grade school age, under the direction of Kenneth Ward and assistants. The service follows in pattern the service for adults, with the exception that in place of the sermon, a sound, religious, moving picture is shown and discussed by the children. The Junior Church now has 178 members, and all children not worshipping in another church, are cordially invited.

White Hall VFW Auxiliary Names New Chairmen

White Hall—V.F.W. Auxiliary No. 7684 met Monday night at the Griswold Annex for its monthly business session.
Mrs. Marjorie McGlasson, president, presided and appointed several chairmen, including Mrs. Ivamae Dickerson, poppy chairman, for 1950; Mrs. Louise Tilley, rehabilitation

Chairman and Miss Dorothy M. Young, Press chairman.

The unit voted to make a cash donation to the local police fund. Two new members were admitted to the unit, Mrs. Mae E. Richards, a transfer member from Chassell, Mich., and Mrs. Edith Bechtold, both now living in Eldred.
It was voted to invite members of the V.F.W. Post to the next potluck supper, which will be held Thursday Oct. 13 at the Griswold Annex at 6:30 p.m. Mrs. Jack Bishop is in charge of the dinner. All members of both the Auxiliary and Post are urged to attend.

A.A.U.W. To Hold First Meeting Of Season Oct. 8th

The membership committee of the American Association of University Women held a session Sept. 27 at the home of the chairman, Mrs. Paul J. Davidmeyer, 296 Sandusky street. Members of the committee include Misses Betty Cobb, Frances Frisch, Margaret Loneragan, Barbara Rogers, Mabel Ruyie, Ethel Seybold, Mary Waller, Mrs. J. M. Hollowell, Mrs. T. C. Rammekamp and Mrs. C. W. Rataichak.

Announcement was made that the A.A.U.W. will hold its first meeting of the year Oct. 8 at 6 p.m. at the Congregational church. Supper will be served, after which a program and a short business meeting will be held. New members will be introduced.
Women eligible for membership who have not been contacted by a member should call Mrs. Davidmeyer.

GRATIFYING!

Nothing is more gratifying than Liquid Capoline to quickly relieve headache or neuralgia. You see, Capoline's pain-relieving ingredients are already dissolved—all ready to start bringing relief. Capoline is a prescription type formula, containing four carefully selected ingredients which work together to relieve simple pains. So get Liquid Capoline for quick relief. Follow label directions.

SEARS MANAGER

H. A. ANDERSON

H. A. Anderson has been appointed local manager of Sears, Roebuck and Co., succeeding R. C. Wheeler, who is now manager of the new Sears store in Boone, Ia.

Mr. Anderson has been with Sears, Roebuck for 14 years, spending the past three years as merchandise manager of the Omaha, Neb., store. Other positions which Mr. Anderson has held include field man for textile development division in Chi-

cago and assistant manager both in Oskaloosa, Ia., and Moline.

His wife and three children will move here Monday. The family residence will be at 20 Havendale court.

Officers Chosen By Happy Readers Club At Sinclair

Officers were chosen by the Happy Readers' Book club of Sinclair Consolidated School Unit No. 8 at its first monthly meeting. Those named were Ernest W. Johnson, president; Janet Strickler, vice-president; Beverly Wankel, secretary-treasurer, and Charles Sample, reporter.
The program included group singing, book reports by Carolyn Martin, Beverly Strickler and Charles Sample, song by the boys, song by Diane Wilson, Janet Strickler and Camille Thompson.

Hostesses for the meeting were Mrs. William Thompson, Mrs. Floyd Wilson and Harriet E. Moss. Contest winners were Billie Le Davies and Beverly Strickler.

Guests were Mrs. Clyde Mason, Mrs. Eugene Martin, Mrs. George Martin, Mrs. Lloyd Wankel, Mrs. William Davies, Mrs. Floyd Wilson and Mrs. William Thompson.

Ashland Future Homemakers Have 17 New Members

Seventeen new members of the Ashland chapter of Future Homemakers of America were informally initiated Thursday, Sept. 22.

After school, they were taken up-town where they performed various tasks such as sweeping the streets with whisk brooms, measuring a block with a wiener, scrubbing the steps of the municipal building, with tooth-brushes, cutting grass with manicure scissors, taking polls and begging for the needy.

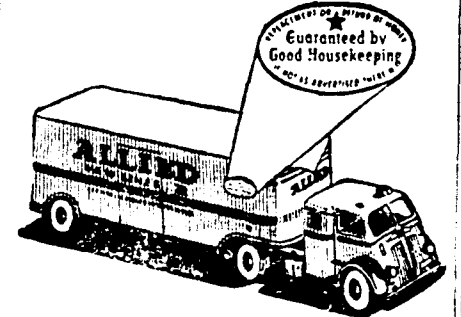

F.H.A. pledges initiated were Leta Rogers, Azelle New, Dianne East, Joan Nordick, Helen Bergschneider, Shirley Hammer, Loretta Sanders, Mary Houser, Barbara Clemmons, Shirley Clemmons, Joan Kruse, Linda Paull, Gladys Ann Wardell, Eleanor Plattner, Donna Davison, Catherine DeGroot, and Mary Elizabeth Tinsley.

Local Leaders' Training School Set For Oct. 4

to be the subject for a local leaders' training school, which will be conducted by Miss Marquette Briggs, extension specialist from the University of Illinois.

Leaders of the Home Bureau Units in Morgan and Scott counties are expected to attend the session, which will be held Thursday, Oct. 4, at Farm Bureau Hall, beginning at 1:30 p.m.

The leaders will give the lesson for their respective units at the November and December meetings.

The cotton plant asserts anew its claim to first honors in clothing mankind. A synthetic woollike fiber has been added to ages-old cotton cloth and more recent silky synthetics of the rayon family made from acid-treated cotton linters.

The average adult person drinks approximately a ton of water every year.

Black bear now roam wild in 34 of the 48 U. S. states.

Butter-nut BREAD'S GOOD IDEAS
KITCHEN TRICK
HOT SHRIMP APPETIZER—Split large canned shrimp in half lengthwise, put together with creamed blue cheese. Dip in beaten egg, then fine dry bread crumbs. Brown in deep fat.
HOUSEHOLD HINT
HOLD NARROW rick-rack or braid in place for sewing with transparent tape. Sew right over tape, peel off when finished.
RECIPE
LAMB LIVER CREOLE
1/4 lb. sliced lamb liver
2 Tbsp. flour
1 tsp. salt
Pepper
1 8 oz. can tomato sauce
2 Tbsp. fat
1/2 bay leaf, crumbled
2 Tbsp. vinegar
1 medium onion, sliced thin
1/4 c. diced celery
1/2 c. water
Remove membrane from liver, cut liver into thin strips. Dip in mixture of flour, salt and pepper. Melt fat in skillet; add liver, brown lightly. Add remaining ingredients, cover and simmer about 40 minutes. Serves 2.
NO COAXING NEEDED
CHILDREN always want "just one more slice" of fresh, soft Butter-nut Bread. Butter-nut is good for them, too—it's vitamin-enriched for day-long energy. Look for fresh Butter-nut Bread in the blue and white checked gingham wrapper!

HARRY M. CAPPS

Today hundreds of his friends from all walks of life in Jacksonville pause to mourn the passing of Harry M. Capps and to pay silent tribute to his life's record of kindly service to others.

Few men in the history of this community have achieved the universal respect of their fellow citizens to the extent Mr. Capps did. He was a gentleman, in the truest sense of the word, admired and beloved by all who knew him.

For many years the active head of one of the city's most important industries, J. Capps & Sons Ltd., he wisely guided the affairs of that company through periods of stress which saw the collapse of many other concerns. Endowed with the finest traditions of American free enterprise, Mr. Capps was nonetheless alert to changing times and enlightened in his views on the complexities of modern business. The spirit of fair play dominated his relations with his business associates, the company's customers and employees. Intolerance was utterly foreign to his nature.

In the field of civic service Mr. Capps gave unselfishly of his time and talents. He was devoted to his church, his college and his community. In the later years of his life when ill health forced him to retire from the forefront of such activities, he was always looked to for experienced counsel and advice.

Mr. Capps' company adopted as its slogan "Always Full Measure" and he at all times endeavored to see to it that this business promise was fulfilled. Unwittingly perhaps he translated this ideal into the terms of his personal life. He did not undertake things half-heartedly or do a job halfway. Exemplifying the highest Christian character, he lived life Full Measure.

CO-ORDINATED PROGRAM NEEDED FOR TRANSPORTATION SYSTEM

By Dec. 1 Secretary of Commerce Sawyer will report to President Truman on the major issues that must be resolved before the United States can fashion the unified transportation program it so badly needs.

In asking for this report, Mr. Truman noted that the government spends about \$1,500,000,000 a year in regulating the transportation industry through the Interstate Commerce Commission and other agencies. The President wrote Sawyer:

"A unified and co-ordinated federal program for transportation is clearly essential in order to assure maximum benefits from the government's activities in this field. In the broader sense, such a program is necessary to assure the public the most efficient and economical transportation service."

We applaud Mr. Truman's interest and lament only that action is long overdue. As far back as 1935 the late President Roosevelt said it was "high time" to deal with the U. S. transportation system as a unified whole. But nothing was done. More recently the Hoover Commission on government reorganization proposed a national transportation authority.

The problems are legion. But basically the issue is: How can we keep rail, motor, air and water transport in healthy, vigorous competition with one another and yet prevent ruinous warfare among them?

To get a sound answer the government must undertake exhaustive economic studies to determine what role each form of transport can play. Inevitably, their respective spheres will overlap to some extent. But a survey may show that in some areas of the field existing competition is doing neither the industry nor the public any good.

These studies are so vital to a unified plan that they should be approached with the most detached impartiality the government can muster. This is an industry wherein the competing members are inclined to reach for each other's throats at the drop of a harsh word. It won't be easy to sift fact from fancy in such an atmosphere.

But no one has more to gain from a sound survey and a wise allocation of function than the industry itself. For once an acceptable division of labor is worked out for the various transportation media, they are likely to devote more energy to their allotted jobs and less to propaganda broadsides against their competitors.

At least one group in the field appears to recognize this. The committee representing the eastern railroads has hailed the President's action, saying that each type of transport in its own sphere "can pull the load best fitted to it under the free enterprise system."

Not the smallest gain from a co-ordinated U. S. program would be a re-examination of the tangled skein of regulations that has been woven through the years by federal agencies like the ICC.

For example, the ICC has reached the point in governing the trucking industry where it must now consider in solemn session whether spinach that has been washed and wrapped in cellophane is a "manufactured product." If it is, you see, then the trucks that carry it to market must come under ICC's wing.

All in all, much good can come from this transportation review if Mr. Truman does not allow the action he has started to come to a halt short of a genuine plan for unity.

Boyle's Column

There's More Money Than Color In Television

By HAL BOYLE

Passaic, N. J.—A vivid pioneer says it will probably be at least a decade before you can have rain-bows in your living room.

"I figure color television is still 10 to 20 years away," said Dr. Allen B. DuMont, one of the "big three" TV manufacturers.

The Federal Communications Commission is currently holding hearings on whether to authorize color telecasts.

"I think the FCC will postpone the thing until they have something decent to go ahead with," said DuMont. "There has been no real change in either CBS or RCA systems in the last three years."

"We are experimenting with half a dozen methods ourselves, but you can't make a foolproof color system overnight. And there just isn't a system ready yet that is commercially feasible."

Audra Forrester

Becomes Bride

Of E. P. Campbell

Miss Audra Jean Forrester of Alton, daughter of Mr. and Mrs. Lewis M. Forrester of Roodhouse, and Elston P. Campbell, son of Mrs. Elma Campbell of Alton, were united in marriage Sept. 10 at the Main Street Methodist church in Alton.

MR. AND MRS. E. P. CAMPBELL

Members of the bridal party were Miss Sybil Northrop of Peoria, maid of honor; Mrs. Clyde Borman, bridesmaid; Louis Oden, best man; Clyde Borman, groomsmen; and Walter J. Brockman and Jack T. Kindig, ushers. The bridegroom's brother, H. Edison Campbell, sang "Ich Lieb Dich" and "The Lord's Prayer."

Given in marriage by her father, the bride wore a gown of white satin fashioned with marquisette yoke, bertha neckline, fitted bodice and full skirt made en train. Her three-tiered veil fell from a headpiece of simulated pearls.

Sagegreen satin fashioned the gowns of the attendants. The bride's mother wore steel gray, while the bridegroom's mother wore navy.

A reception was held after which the wedding party motored to St. Louis for dinner in the Continental room of the Jefferson hotel.

After their wedding trip, the couple will reside at 408B Easton street.

Wm. McFarland,

Former Teacher,

Dies In West

Carrollton—The remains of William McFarland, a former Carrollton resident who once taught in the high school, will arrive Saturday at St. Louis and will be brought to the Simpson Funeral Home. Arrangements for final services and burial are incomplete.

Mr. McFarland, who was about 70 years old, died Saturday in Santa Monica, Calif.

He was a native of his city, graduating from high school in 1900, after which he attended Illinois Normal and the University of Illinois. After teaching in the high school he entered the textbook business.

A brother, Oscar, and sister, Elsie McFarland, reside in Ocean Springs, Miss.

BORUFF MAYTAG CO.

WRINGER ROLLS

ANY MAKE OF WASHER

The FCC announced in advance of its hearings that it wouldn't approve any color system that would make television sets now on the market obsolete.

DuMont believes that by 1953 there will be 13,500,000 video boxes in use, 1,000 TV stations on the air, and some 950,000 persons in the mushrooming new industry.

The stocky, 48-year-old scientist-turned-businessman began at the bottom. In 1931 the young inventor made the biggest decision of his life—"to be my own boss."

He began turning out cathode-ray tubes in a remodeled garage. "Our sales for the first year totaled exactly \$30," he recalled, "and we lost money for six straight years."

But by 1941 the firm had an annual gross of \$600,000. In 1948 it had grown to \$27,000,000, and this year DuMont expects it will reach \$45,000,000 to \$50,000,000.

He has his own television network now and just this week dedicated a \$2,000,000 plant at East Paterson, N. J., capable of turning out a TV set every 20 seconds.

DuMont has patented more than 50 inventions himself and still tinkers a couple of hours a day with some 60 TV sets he has set up in a laboratory near his home.

He feels that radio will soon be secondary to television and believes this is already true in the larger cities. And he stubbornly contests the contention by some that radio will retain its dominance during daytime hours.

"We already have a bigger audience on some of our daytime TV programs than competing radio stations," he said.

"A woman can still do her sewing and watch a television program. I doubt, anyway, that most housewives keep on the go from 7 o'clock in the morning to 7 at night. At least the ones I know don't."

And maybe DuMont doesn't either. He has a television screen built into the wall of his office. The tuning knobs are in a drawer in his desk.

"I like to peek at the afternoon ball games now and then," he

Social Events

Centenary Circle

Circle Two of Centenary W.S.C.S. met Tuesday afternoon at the home of the leader, Mrs. Earl S. Hutson, 876 West State street. This was the first meeting of the new season and was attended by 13 members and three guests.

As this was an organization meeting, the time was devoted to business. Miss Mary Hackman was elected treasurer. Mrs. Dimmitt Trotter, Mrs. Edith Davies and Mrs. Eva Clampt were named to serve on the telephone committee. Mrs. Byford Keener was chosen membership chairman.

The circle decided to hold a "traveling basket" as its project for the month.

During the social hour, refreshments were served from a candle-light tea table.

The next meeting will be held Nov. 1 at the home of Mrs. Roscoe Godfrey, 333 Gladstone Road.

Monthly Potluck Held

By Women Of The Moose

The Women of the Moose, Chapter 1079, held its monthly potluck dinner Tuesday evening in Moose hall, with a large number of members in attendance.

A program was presented following the dinner. Hostesses for the evening were Hollis Proffitt, Pearl Virgin, Anna Smith and Madge Pullam.

The ten National Football League teams will play 60 league games this fall, with each squad playing 12 contests.

From where I sit... by Joe Marsh

A Big Boost For Smitty!

Stepped into Smith's Department Store the other noon and saw the strangest thing. "Sis" Davis was coming up the stairs from the basement with a bundle of wash.

"Is Smitty taking in washing these days?" I asked. "Not quite," she says. "He's just put in a new automatic washing machine, so the girls who work here can get their laundry done while they're eating lunch. Means more time to relax at night and on weekends."

I thought what a swell boss Smitty must be. Human relations between the boss and employees

have certainly taken a big step forward during my lifetime.

From where I sit, people seem to be doing a better job of seeing our neighbor's viewpoint these days. Though his ideas and tastes may not be ours, we can understand his preference for a certain breakfast cereal, a favorite movie star, or for a temperate glass of beer or ale. That's the way it should be in a free country.

RECLUSE DIES

OF MALNUTRITION

Los Angeles, Sept. 28.—(AP)—Three weeks ago, a tired old man said "I have lived my life out. I want to die."

Since then he had refused to eat—even after he was taken to General Hospital last Friday.

Last night Lloyd E. Bitters, 82-year-old and ex-shipfitter, got his wish. The hospital listed malnutrition as the cause of his death.

There are about 651,600 steel workers in the United States.

Why Do They Want to Put A&P Out of Business?

The answer is to be found in the formal complaint "they" have filed with the court. By "they" we mean, of course, the anti-trust lawyers from Washington who are out to destroy A&P.

They say . . . and these are the anti-trust lawyers' own words . . . that we "have regularly undersold competing retailers."

To this charge we plead guilty:

We confess that for the past 90 years we have constantly stepped up the efficiency of our operations in order to give our customers more and more good food for their money.

The American people have seen nothing wrong in this. By their ever-increasing patronage for 90 years they have shown that they like this low-price policy.

Apparently the people still see nothing wrong in this today. All during the past week — since the anti-trust lawyers made their charges — we have been deluged with phone calls and letters from men and women in all walks of life who want us to know they are opposed to this effort to put A&P out of business.

An enormous number of customers are telling our store managers and clerks that they want to continue to enjoy our low prices for quality foods.

Farmers and other suppliers are asking what they can do to preserve this efficient outlet for their products.

Our 110,000 employees are asking us to protect their jobs and pensions.

Labor leaders are wiring us their opposition to this threat to labor's living standards.

If all these people will be hurt, why then do the anti-trust lawyers want to put A&P out of business?

Low Prices Don't Hurt Anyone

The anti-trust lawyers say because we are able to sell food cheaper than other grocers, we make it impossible for those grocers to compete with us.

If this were true, we should have all the food business in the United States by this time.

Just the opposite is true. In 1933 we had 11.6 per cent of the nation's food business. Now, according to the anti-trust lawyers, our share has decreased to 6.4 per cent in 1948. Anyone can see we have nothing even approaching a monopoly.

As a matter of fact, there are about 30,000 more individual grocers in business today than there were ten years ago.

There are about 275 more food chains in business today than there were ten years ago.

In other words, we have more competitors in the food field and do a smaller share of the nation's food business than before.

Where is this alleged destruction of other grocers? Where is there any evidence of their inability to compete with us?

Do You Want Higher Prices?

As anyone can see, the only purpose that would be served by putting A&P out of business would be to raise food prices.

Who would this benefit?

We were the first merchants to set the pattern for low-cost, low-profit distribution. Our example and our competition have led other grocers to keep their prices down.

Remove A&P from the picture and food prices are bound to go up.

Remove A&P from the picture and the way will be cleared for the destruction of every other efficient large-scale distributor.

Is this what the American people want?

Is this in the public interest?

Dismiss Complaint On Candy Firms

Washington, Sept. 28—(AP)—Charges against 33 candy, gum and confectionary firms, including the William Wrigley Co. and Buntz Bros., of Chicago, have been dropped by the federal trade commission because of flaws in its own complaints. The complaints charged the com-

panies with illegal discrimination in favor of some buyers. Ruling on the New England Candy Co. case, the commission found that "surplusage" and duplication in the complaint would "unreasonably" prolong the trial.

Without a dissent, it ordered this complaint dismissed and, along with it, those of 32 other companies charged with substantially the same practices.

Our meat department is operating as usual during our closing out sale. Mayer's Super Market.

Demos To Keep Up Efforts On Charter

Peoria, Ill., Sept. 28—(AP)—State treasurer Ora Smith said today that the Democratic state administration will keep plugging for revision of Illinois' 1870 basic charter.

In a speech prepared for the 40th convention of the Illinois township officials, Smith said:

"While we have the gateway amendment as a starter, Governor Stevenson and we Democrats of Illinois will not diminish our efforts to secure the constitutional convention."

The 1949 legislature turned down the governor's proposal for a constitutional convention.

W. A. Shumaker Passes Away At Home Near City

W. A. Shumaker, well-known farmer, died Wednesday at 9 a. m. at his home west of the city in the Point church neighborhood. Death followed a lingering illness.

Born in Morgan county on March 16, 1882, Mr. Shumaker was the son of Herman and Martha Shepherd Shumaker. His marriage to Lillie Moss took place at her home near Concord on Jan. 10, 1906.

She survives, together with four children, John E. Shumaker of Alexander, Gerald Shumaker and Mrs. and 7 to 9.

Gladys Mawson of Jacksonville and Don, at home; seven grandchildren; a brother, Ernest Shumaker of Chicago; two sisters, Mrs. Minnie Mawson of Peoria and Mrs. Otto Crouse of Bathell, Wash.; his step-mother, Mrs. Sarah Shumaker of Jacksonville; and several nieces and nephews.

He was preceded in death by his parents and a sister.

The decedent was a member of Wesley Chapel church and the ATA. The body is at the Gillham Funeral Home, where funeral services will be conducted Friday at 2 p. m. by Rev. Paul DuBois. Burial will be in Memorial Lawn cemetery.

The family will meet friends at the funeral home Thursday afternoon and evening from 3 to 5:30 a. m.

What It Means: Civilian Government For Guam

Washington—Giving little Guam a civilian government isn't proving easy as the administration apparently hoped.

President Truman, by executive order, directed recently that control of the Western Pacific island be transferred from the Navy to the Interior Department July 1, 1950. He appointed a civilian governor, Carlton Skinner, to replace the retiring naval commander, Rear Adm. Charles A. Powell.

Head Cold Stiffness

RELIEVED IN SECONDS!

For almost instant relief, put a few Vicks Vapo-Nol Nose Drops in each nostril. Vapo-Nol works right where stuffy trouble is! It opens up cold-clogged nose, relieves stuffiness... and lets you breathe again. Try it.

VICKS VAPO-NOL NOSE DROPS

If the money isn't provided the new governor will have to get along with the Navy funds now available and a completely civilian government will have to be put off until Congress acts. Skinner himself will technically be a Navy employee until July 1. He is now director of information (public relations) of the Interior Department and special assistant to Secretary Krug.

Some senators and congressmen remarked that they thought they'd better take a trip out to Guam before they decide anything. A group of legislators did visit the island in 1947, accompanying Secretary Krug on a tour. It was then that Krug urged that Guam be given a civilian form of government.

No one has questioned the Pres-

ident's right to effect the transfer through executive order. It was by executive order that President McKinley in 1898 set up the government of Guam under Navy control.

The Navy is perfectly willing to relinquish its authority on Guam providing nothing is done to interfere with the building and operation of its bases there. The Navy and Interior Departments worked jointly on a draft of proposed legislation which would set up a civilian government by congressional action.

The administration's haste in preparing for the shift of control in July can be explained on diplomatic grounds. Little Guam has become a source of embarrassment to U. S. representatives in the United Nations and other international bodies.

America promised 51 years ago in the Treaty of Paris, which ended the war with Spain, to define the civil rites of Guamanians. This it has never done. Their rights now are whatever the military governor of administration in Washington says they are.

And America contracted in the United Nations Charter (Chapter XI, Article 73): "To develop self government, to take due account of the political aspirations of the peoples, and to assist them in the progressive development of their free political institutions, according to the particular circumstances of each territory and its peoples and their varying stages of advancement."

President Truman also is strongly committed to his civil rights program. That means civil rights for Americans everywhere, whether on the continent or in island possessions.

DURBIN

Durbin—Preaching services will be held at Durbin church Sunday morning at 10 o'clock, followed by Sunday school at 11.

Dr. Stanley Gibson of Chicago spent the week end with his brother and sister-in-law, Mr. and Mrs. Charles Gibson.

Miss Mary Scott of Springfield and Miss Rhoda and Fred Scott were dinner guests Sunday of Mr. and Mrs. Leroy Smith.

Miss Martha Smith, a freshman at Illinois college, spent the week end at home.

Mr. and Mrs. Frank Tranbarger, Girard, visited Sunday with Mr. and Mrs. Samuel Darley.

Mr. and Mrs. John Oxley and Thomas Robson spent Saturday in Alton, guests of their granddaughter, Mrs. George Young, and family.

Mr. and Mrs. Paul Carpenter and sons and Mr. and Mrs. Ruel Carpenter and family were Sunday guests of their mother, Mrs. Edith Carpenter.

Mr. and Mrs. Raymond Roberts and family of Jacksonville visited Sunday with her mother, Mrs. Coila Oxley.

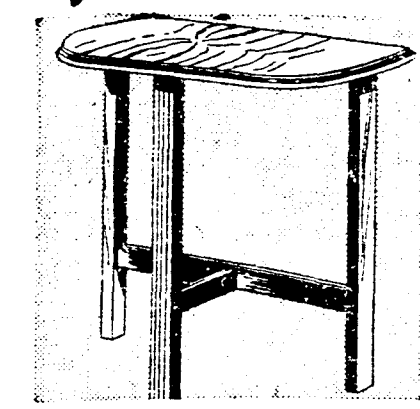

Mrs. Horatio Hall and Mrs. Charlotte Hall of Palmyra were guests Monday of Mr. and Mrs. John Oxley.

Mr. and Mrs. Fred Pinkerton spent Monday in White Hall with Mr. and Mrs. Claude Pinkerton.

Mr. and Mrs. Hubert Twyford and family were Sunday visitors at the Claude Donaldson home in Virginia.

Morgan County Electric Lines To Be Extended

Springfield, Ill., Sept. 28.—(P)—Illinois Power Company today was authorized by the State Commerce Commission to build 7.1 miles of new electric lines in St. Clair, Madison, Fayette, Jefferson, Washington, Randolph, Perry, Morgan and McLean counties.

In another order, the utility was authorized to construct two miles of lines from Belleville to its substation south of the city and to step up voltage in an existing line from Belleville to the Cahokia power plant of Union Electric Company. The improvement will give Illinois Power an alternate electricity supply in the area for emergencies.

Laws Forbidding Pin Boys Under 16 Strictly Enforced

Springfield, Ill., Sept. 28.—(P)—State laws forbidding employment of minors under 16 in bowling alleys will be strictly enforced with the return of the bowling season, state labor director Frank Annunzio said today.

Annunzio said inspectors for the women's and children's employment division have been instructed to crack down on employers who help minors evade the law.

Setting pins has been classified a "hazardous occupation" because of physical danger to youngsters as well as a serious schooling problem created by the jobs, he said.

He added that school authorities had reported numerous cases of truancy, poor school work and falling asleep in class which were traced to after-school work in bowling alleys.

Large Painting Shows Nichols Park In 1915

When the late John Garfield Hoover of this city painted a birds-eye view of Nichols park in 1915, he did not know that 34 years later his work would hang in the council chamber at the city hall.

Mr. Hoover's painting remained out of sight for a number of years. A few weeks ago members of the family found it in some personal belongings, and presented it to the city.

An attractive frame for the large painting was made by Harold McDougall and Dale Bond of the fire department. The park scene was then turned over to Mayor Hoagland, who had it placed on the north wall of the council chamber, where it was viewed with much interest by members of the council this week.

Mr. Hoover, who was a commercial artist, painted a landscape of the park looking south from Vandalia Road. Many trees which now rise to considerable height were in the junior stage of development back in 1915. The painting includes the large central pavilion, tennis courts and children's playground, but the golf course and dining pavilions had not been built at that time.

Deer Pens In Painting

On the east side of Morgan lake were deer pens, with several deer strolling around. The deer, monkeys and other small animals which once attracted attention of park visitors have been missing for some years.

Mr. Hoover's brush pictured a passenger train steaming along the Chicago & Alton railroad, on the west side of the park. The train consisted of five or six coaches—a much longer passenger train than any which operate today on the Gulf, Mobile & Ohio, successor to the Alton.

As Mr. Hoover painted the park landscape he saw both automobiles and horsedrawn vehicles moving along Vandalia Road. He placed them in the picture.

Citizens who have viewed the painting recall that Mr. Hoover was a talented artist, once employed in the art department of a packing firm in Chicago. His impressions of Nichols park in 1915 probably will remain a part of the council chamber's decorative scheme for many years to come.

First amateur ever to place first or second in the U. S. Open golf championship was Walter J. Travis, who tied for second in 1902.

Ways to Save

If you were a native of the central Andes you would save for the future by making "cabulla" rope in your spare time. Cabulla is the native name for the tough inner fibres of the yucca plant. Cabulla strands are twisted with horse hair and braided into an extremely strong rope. Coils of cabulla rope are valuable possessions and are sometimes wapped around the waist for safety from theft.

Aren't you glad you don't have to wear your savings in a belt around your waist? And aren't you glad that your savings earn a profit at the same time they are SAFE at Jacksonville Savings & Loan Association? It's easy and convenient to save money at Jacksonville Savings & Loan Association. Stop in and let us explain.

Someone to Love

By IRENE LONNEN ERNHART Copyright, 1949, MEA SERVICE, INC.

"THE STORY: Jenny is trying to convince herself that she doesn't love Liz. She's been thinking about it ever since she saw Liz at the dance last night. She's been thinking about it ever since she saw Liz at the dance last night. She's been thinking about it ever since she saw Liz at the dance last night."

Jenny tried to collect herself as the cat slipped through the rainy streets. Everything seemed to be spinning and crashing about her. She had thought that except for the fact that they were living with the Duncans, she and Tod were reasonably happy together. "At least give Tod a chance to explain," Nina urged. The cab stopped in front of Nina's apartment and she handed the driver a bill as she got out. The rain had ceased. "You're coming in, aren't you Jenny? You'll feel differently when you've had a cup of good strong coffee, and I'll whip up some tuna fish salad."

Tod and me, so we could make a go of our marriage. "So you're running out on him already? I told him what sort you were. Time and time again I said to him, 'I said—' Ma began, her voice began to drown out the sports announcer. "I saw Tod downtown with Liz Conover—or Courtney rather. Jenny threw back her mouth trembling with anger. "They were meeting each other in a restaurant. She was waiting there for him."

TOD stood in the kitchenette doorway, his face sober, his blue eyes grave and troubled. He shut the door behind him. Jenny lifted her chin and stared at him coldly. "Well?" He swallowed nervously. "Jenny you—that is, Ma said—" He stepped forward and put both hands on the table. "Liz phoned me today. I didn't know it was Liz until I called the number on my pad at the office. She wanted me to meet her, begged me to. I tried to refuse, but she insisted. Maybe I shouldn't have gone, even at that, but—well, I did."

Mrs. Irene Jackson, Former Carrollton Resident, Dies

Carrollton—Mrs. Irene Jones Jackson, a former resident of Carrollton, died Monday at a hospital in Detroit, Mich., following a surgical operation. She was 39 years of age. Mrs. Jackson was the daughter of Mr. and Mrs. Theodore Jones of Carrollton. She was born in Carrollton and spent the early part of her life here. She is survived by her husband, Edward of Detroit; her parents; one brother, Henry E. Jones of East St. Louis; and a sister, Mrs. James Graves of Chicago. Mr. Jones went to Detroit to be with his daughter during her illness. Funeral services will be held Saturday at 2 p. m. at the Carrollton Lutheran church, with Rev. H. H. Jones of St. Louis officiating. Burial will be in City cemetery at Carrollton. The body will arrive here Thursday and will be taken to the Simpson Funeral Home.

Births

Mr. and Mrs. Robert Scott, 132 Fairview Terrace, are parents of a daughter born Wednesday at 3:52 a. m. at Passavant hospital.

Salt Mine Art Collection Topic Of Club Program

"Art Out of the Salt Mines" was the topic of the program presented when Tuesday Club held its first meeting of the new season Tuesday afternoon at the home of Mrs. C. E. Williamson. Mrs. Dallas Hagan, program leader, described the capture of the salt mines in Germany by General Patton's Third Army as one of the most fantastic of World War II. Besides 100 tons of German gold, the caverns also contained another treasure, an art collection valued at more than \$80,000,000. There were 202 paintings in all, which had been removed from Berlin. They were brought to the United States for safe keeping. With the exception of 52 of the more fragile paintings, the collection was shown at the National Art Gallery in Washington, D. C., and later in a traveling exhibition through 12 of the leading museums in the country. Works of Old Masters This collection represented the most important single group of old masters ever exhibited in the United States. Included were works of the famous Dutch masters, Van Leydens, Frans, Hals, Rembrandt and others. The paintings have since been

returned to Weisbaden, Germany. Following her discussion, Mrs. Hagan showed reproductions of the paintings. She also spoke of work by Italian artists and displayed illustrations of examples. The meeting was conducted by Mrs. Charles Gibson, president. At the close of the program, refreshments were served. Mrs. Harlan Williamson and Mrs. Harlan Lee Williamson were guests.

Carrollton Home Bureau Names Member Of Board

Carrollton—Mrs. E. Reich was elected as a member of the executive board of the Greene County Home Bureau representing the Carrollton Night Unit. The election was held Monday evening at the unit meeting held at the home of Miss Maxine Britten. Mrs. Reich succeeds Mrs. Carl Neil, who has moved to Greenfield to make her home. Miss Sophia Powell gave the major lesson and Mrs. Byron Rhoads gave the minor lesson on "Modern Rural Schools."

October 1st, Burgoo, Northminster church. Kettle service only.

Hold Funeral For Mrs. Mary J. Rook

Funeral services for Mrs. Mary Jane Rook, widow of Wm. Rook, were held at the Woodson Presbyterian church on Wednesday, Sept. 21, with Rev. Arle Vanderhorst officiating.

Mrs. Chas. Irlam and Mrs. J. Thomas Butler sang "Somewhere the Sun is Shining" and "Rock of

Ages." They were accompanied at the piano by Mrs. Newton Wilson. Caring for the flowers were Mrs. Vertrees Blimling, Miss Eva Mortimer, Mrs. Orville Wise and Mrs. Dean Kehl. Pallbearers were Russel Devore, Vertrees Blimling, Ball Fitzsimmons, Oran Fitzsimmons, Earl Mortimer and Chas. Irlam. Interment was in Diamond Grove cemetery.

The Conestoga wagon, famous in U. S. pioneer days was first made in Pennsylvania about 1750.

Freight Unloaded At Hawaiian Docks

Honolulu, Sept. 28.—(AP)—Territorial longshoremen, replacing 2,000 striking CIO waterfront workers, plunged today into the task of clearing ports tied up by Hawaii's 151 day old strike.

Some 500 longshoremen employed by the territory under a recently enacted law, unloaded five freighters at the docks. Eight others, two due today and the balance expected within the week, will be unloaded as fast as the territorial longshoremen can reach them.

For 36 consecutive miles, the Great Smoky Mountains in North Carolina are over 5,000 feet high.

RIISING YOUNG AUTHOR—Thirteen-year-old Egon von Asow, a high school pupil in Berlin's British Zone, seems like any average schoolboy as he plays with his toy railway. But don't let it fool you. Despite his youth, Egon is a well-known author. He's already written one book, on the philosophy of Goethe, and is hard at work on a second volume.

P.T.A. Gives Past President's Pin To Mrs. H. L. Hall

A past president's pin was presented to Mrs. Harry Lee Hall at the opening meeting of Lafayette P. T. A. The presentation was made by Mrs. Willard Cody.

The meeting was called to order by Mrs. W. O. Randall, who announced that the P.T.A. conference would be held on Oct. 26. Group singing was led by Willard Cody.

Miss Lena Heim, principal, introduced the teachers. Vivian Albright, Violet Auwarter, Mary Bowman, Dorothy Crouch, Irene Omundson, Ruth Pritchard, Nona Read, Verne Shrope, Olive Venters, Bobby Jo Weatherford, Robert Blazier and Claive Wuebbold. William Schildman, who has accepted the position of Cub master for Lafayette Cub pack, was also introduced.

Mrs. E. C. Bone, program chairman, invited the group into the gym, where a circle dance was enjoyed. An exhibition of square dancing was given by Dr. and Mrs. Fredrich Englebach, Dr. and Mrs. W. H. Corey, Mr. and Mrs. J. Pryor Bossarte, Mr. and Mrs. Willard Cody, Prof. and Mrs. Ernest Stahl, Wayne Woolridge and Mrs. Mildred Riley, who taught the routines to the group.

The refreshment committee was comprised of Mrs. Betty Sorrells, hospitality chairman; Mrs. Friend Wells, Mrs. Charles Long and Mrs. Willard Cody, with room mothers of the two first grades, Mrs. Helen Haines, Mrs. Adelino Bentena, Mrs. Chloe Colclasure, Mrs. Robert Hills, Mrs. Crit Haneine and Mrs. Raymond Christison. Mrs. Randall poured.

Two Illinoisans Perish In Crash

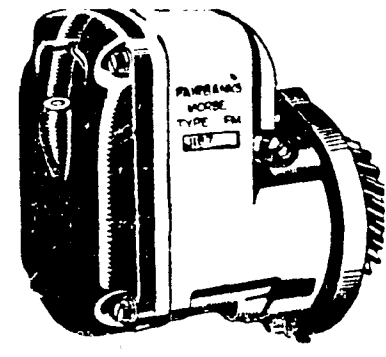

Talihin, Okla., Sept. 28.—(AP)—Two Illinoisans were among the 13 crewmen who perished in the crash of a B-29 Air Force bomber near here Monday night.

They were First Lt. Jack E. McDannell, a bombardier, of 859 20th avenue, Moline, and Sst. Charles A. Jellings of 718 Myrtle street, Waukegan.

The plane was on a nonstop navigational training flight when it crashed and burst into flames near Talihin, in southeast Oklahoma.

Four Local Football Teams On Tour This Weekend

Senators Edge Bosox 2-1; Yanks Win 7-5, Gain First Place Tie

Washington, Sept. 28.—(AP)—The Washington Senators edged the Boston Red Sox 2-1 in a pulse-stirring ninth inning tonight to hand the Boston Red Sox a bitter 2-1 defeat and knock the men of Joe McCarthy back into a tie with the New York Yankees for the American League lead.

Al Kozar, Senator second baseman, raced home with the winning run on a wild pitch by Mel Parnell, southpaw ace of the Boston staff, who had been rushed in to quell the home team's uprising. The pitch, a sweeping curve, bounced off catcher Birdie Tebbets' glove and rolled to the stand as a crowd of 17,000 rent the evening air.

Back in a deadlock with the Yanks after only a two-day tenure of the top, the dazed and dejected Red Sox made their way to their dressing room with the heavy steps of men going to the gallows. The game had blown up in their faces when they appeared to have it safely tucked away, 1-0.

For eight innings their brilliant 20-year-old southpaw, Chuck Stobbs, had stopped the Senators cold on four hits—all of them singles and only one a really robust swat, Scarborough Effective.

The Sox, though able to get only the same number of blows off Ray Scarborough, had bunched a bloop double by Stobbs and a line single by Dom DiMaggio in the sixth to

J. DiMaggio Works Out, Remains Very Doubtful Starter

New York, Sept. 28.—(AP)—Joe DiMaggio, \$100,000 a year center fielder of the New York Yankees, remains a doubtful starter in the million dollar series against the American League's pace-setting Boston Red Sox this weekend.

The Yankee clipper, stricken with a virus infection a little over a week ago, worked out briefly for the first time today prior to the Yanks clash with the Philadelphia Athletics.

Joe DiMaggio

DiMaggio cut at 15 pitches and banged one into the stands but complained of weariness and expressed doubt of participating in the all-important series with the Red Sox.

"I'm going right back to my hotel and rest, but I'll be out again tomorrow," DiMaggio said. "I feel pretty weak right now after taking batting practice, but my temperature was normal all day yesterday and it was normal after the workout. I'm watching that very closely these days."

A listener suggested that DiMaggio might be able to make a come-back against the Red Sox but Joe said, "It will have to be an awfully quick comeback. I have only two days, tomorrow and Friday."

"The trouble is that I've been so weak. I'd lie there and sweat at night and would change from one bed to another a half dozen times a night."

"I haven't weighed myself so I don't know how much I've lost, but it must be quite a bit."

DiMaggio nervously puffed a cigarette in front of his locker after the drill. He looked extremely tired and the loss of weight was apparent. Regarding the workout DiMaggio said, "at the end it felt as if the bat was swinging me."

Manager Casey Stengel said, "I won't ask him to play until he says he's ready."

Reynolds, Page Reverse Roles

New York, Sept. 28.—(AP)—Allie Reynolds and Joe Page reversed roles today.

Page, the New York Yankees' crack relief pitcher who usually saves games for Reynolds, was credited with the Yanks' 7-5 triumph over Philadelphia but it was Reynolds who safeguarded the triumph for Smokey Joe.

Reynolds pitched the last two innings after the Yanks had scored three runs in the seventh to overcome a 5-4 deficit. Reynolds allowed only one hit and fanned the side in the ninth.

Page, who appeared in his 59th game, has appeared in 26 of Reynolds' 29 starts during which Reynolds won 17 games and lost five.

Bulletin

Detroit, Sept. 29.—(AP)—The Ford Motor Co. and the CIO United Auto Workers settled their industry pace setting pension dispute at 1:10 a.m. (CST) today.

Indians Defeat Chisox In Field Meet In Chicago

Chicago, Sept. 28.—(AP)—The Cleveland Indians swept one event and won six of nine individual prizes in a chilly baseball field meet against the Chicago White Sox here today.

Cleveland swept the 60-yard sprint as Outfielders Thurman Tucker, Milt Nielsen and Larry Doby finished in that order. Mike Tresh won the throwing contest for catchers, finishing in front of a White Sox duo of Don Wheeler and Roy Tipton.

Chicago's Bud Souchock won the hitters' contest with a 385-foot drive against the left field second deck.

D. SMITH, EX-LINEMAN, STARS IN IC BACKFIELD

It didn't take long for Blueboy football candidate Don Smith to scurry up the ladder to a niche on Al Miller's first eleven once hostilities got underway this season.

He climbed the ladder ten yards at a clip, the average of his gains against Millikin here Friday night.

Classified a second-string quarterback in pre-game drills at the Hill-top camp, Smith was initiated into college competition against the Decaturites as a substitute when the Blueboys were on defense.

He did such an excellent job of line-backing and returning long Millikin punts that, at the intermission, Miller briefed him on the right half-back assignments and he ran from that position, the remainder of the battle.

FAN BREEZES

BY BOB MERRIS

tering days. At a word from the Blueboy head coach, he was promptly dubbed a quarterback and ran the team with sureness that could only come from long experience, so everyone thought. The fact that he had no backfield experience came to light only after he starred in the Millikin stalemate.

The Chicagoan was kept off the starting eleven as a quarterback by the presence of Bob Grove, he of the veteran and cool head who probably won't be supplanted as Blueboy QB until he graduates.

Though Smith will run from the right half slot against Principia this weekend, he has other grid attributes. Besides playing in the line and quarterbacking as aforementioned, the chunky stylist has been observed getting off some nice punts, he can drop-kick 20 yards with accuracy and he's a scholar in the classroom.

Should any more talents come to light, we'll have to delve deeper into his past, probably to find that his family skeletons are still wearing the pads and harness of gridiron performers.

Seriously, he's a lad on his way up, in the estimation of college coaches Miller and Brooks. A success story of the first water or "How To Catch On By Catching On."

Bob Lemon Posts Win 22 As Tribe Nips Chisox 4-2

Chicago, Sept. 28.—(AP)—Bob Lemon filled a dual role today as the Cleveland Indians defeated the Chicago White Sox, 4-2. The victory put the Indians a length and a half behind third place Detroit.

Lemon pitched a five-hitter to gain his twenty-second victory, two more than he won for the Tribe's pennant winning machine last season. The former outfielder-turned-pitcher also batted in two of Cleveland's runs and scored the third in the Tribe's three-run third.

Lemon's single turned the trick before the pitcher scored on Ray Boone's double play grounder in the fourth. The fourth place posted a fourth run in the fifth on Luke Easter's single, and Bob Kennedy's double.

Chicago scored first in the seventh, Rocky Krsnich getting home on a passed ball by Jim Hegan after Chicago loaded the bases with only one out.

The second White Sox run was registered in the ninth on Johnny Ostrowski's triple, and Krsnich's single.

The game was delayed twice by rain.

Brooklyn Idle, Shotton Plots His Pitching Strategy

Boston, Sept. 28.—(AP)—Manager Burt Shotton of the Brooklyn Dodgers, his team made idle by rain, plotted his pitching strategy today for the rest of the season, naming his choices in order as Preacher Roe, Joe Hatten, Don Newcombe and Ralph Branca.

The Dodgers now trail the Cardinals in the hot National League race by a single game. Shotton's selection of Branca for the season's final and possibly decisive game against Philadelphia means that the forthright, white-haired manager is pinning his hopes on the man who was the center of one of the season's biggest "rhubarbs."

Roe and Hatten, two left handers, will face the Boston Braves' aces, Warren Spahn and John Sain, in a double header tomorrow.

To win or tie for the pennant, the Dodgers almost certainly need to win all their remaining four games—and hope that the Cardinals falter.

"The 'rhubarb' hasn't changed my high opinion of Ralph, and I'm going to use him Sunday if I'm satisfied his finger is completely healed, and it ought to be by then," said Shotton.

The "rhubarb" arose after Shotton lifted Branca in the eighth inning of last Sunday's game against the Phillies, with the Dodgers leading 3-1.

Shotton said that the "rhubarb" was a misunderstanding and that he had no intention of using Branca in the eighth inning of last Sunday's game.

Crimsons To Quincy Friday Night, Others Play Away Saturday

By The Journal-Courier Sports Editor

Jacksonville's three high school and one college football teams are swinging into the final phases of weekly drills in preparation for week end invasions of distant grid-irons.

Bob Krashaar and his Crimsons charges start the ball rolling Friday night when they journey to Quincy for a bout with the Gem City's Blue Devils.

Principia at Elmhurst, Ill. ISD goes to Petersburg and Route invades Franklin in Saturday afternoon tussles.

Kraushaar, whose J.H.S. eleven has had a so-so season to date, wound up a tough two-hour practice session with a full-game scrimmage yesterday afternoon. He personally quarterbacked his second team, running Quincy's anticipated T plays against the varsity. Kraushaar limbered up his arms and legs enough to help his young men hold the first stringers to a slight 18-14 victory.

Only casualty on the Crimsons' squad was Bruce Smoore, right halfback, who may have suffered a slight concussion when he collided head-on with Fullback Maylon Baldwin.

Also from the J.H.S. camp came word that Harvey Myer, senior end and Don Smith, fourth year fullback, have been elected co-captains of the squad. Myer is playing his second year of varsity football. Smith won a numeral as a sophomore last year, but was sidelined last season with a leg injury.

Al Miller Reports Injuries
George Florence, hard-charging, first string Illinois college guard, is a very doubtful starter for Al Miller's Hilltoppers in their conquest of Principia Saturday afternoon. Florence is still suffering from a flu bruise sustained in the Millikin deadlock last week. Sam Spink, 230 pound tackle, continues to be sidelined with a sprained knee.

Head Coach Al Miller confided that he has been conducting only light scrimmages in order to let his athletes recover from last week's battle-royal. However, he announced that a tough session was in store for his Hilltoppers today. After that they'll ease off and rest until Saturday.

Minor injuries have deactivated reserve Lineman Dick Bishop and sub-halfbacks Russ Alexander, Charles McKenzie and Art Picard for a few days.

Route To Franklin Saturday
Paul Stroud continues to school his Routt gridgers in the strategy of six-man football over in the east-side camp. His unbeaten Rockets, boasting a win over Arenzville, made to Franklin Saturday afternoon where they'll meet Joe Treat's Flash.

"Jones is one of our best hitters," he said. "He was the right-handed punch that offset southpaw pitching against us. Losing Nippy's clutch hitting is certain to hurt us. With some of the other boys not hitting right now, we could use Nippy's big bat."

Jones' current batting average is .302. Batting chiefly against left-handed pitching, Nippy has driven in 62 runs. Rookie Steve Bilko, up from Rochester, will fill in at first against lefties with Glen Nelson set to go against righthanders.

East St. Louis Livestock
National Stockyards, Ill., Sept. 28.—(USDA)—Hogs 8,500; barrows and gilts mostly steady with Tuesday's average with some weakness late, particularly on 180-190 lb. weights; sows steady to 25 higher; bulk good and choice 200-250 lbs. 20.00 to mostly 20.25; top 20.25 but late sales 20.00; odd lots 260-300 lbs. 19.00-20.00; 180-190 lbs. 19.25-20.00; 20.00 to 20.00; 140-170 lbs. 17.50-19.25; lighter weights scarce; few medium and good 100-130 lb pigs 15.00-17.25; around 90 lbs. 14.00; good sows 400 lbs. down 17.50-18.75; few 12.00; heavier sows 17.50-17.50; stags 12.00-14.50.

Cattle 3,500; calves 14,000; one load choice yearling type steers steady at 31.00; balance of offering mostly common and medium and meeting limited inquiry; heifers and mixed yearlings also slow and showing weak undertone; little done on beef cows; canners and cutters opening steady; largely 11.00-14.00; bulls steady; medium and good 15.50-17.00; few 17.25; cutter and common 14.00-15.00; vealers 1.00 higher; good and choice 27.00-32.00; common and medium 17.00-26.00.

Sheep 1,500; market fairly active on spring lambs and mostly 50 higher; ewes steady; good and choice spring lambs to packers 23.00-24.00; few medium and good lots 21.00-22.50; cull to medium throwouts 15.00-17.00; some to feeder buyers 17.50-18.50; most slaughter ewes 6.00-8.50.

Yale Canceled Grid Tilt With Fordham, Player Has Polio

New Haven, Sept. 28.—(AP)—Yale University announced late today that Saturday's football game with Fordham has been cancelled because of three "mild cases" of polio among the students, one of them a football player.

The University also announced that a football game between the Yale freshmen and Cheshire Academy, which like the Fordham game had been scheduled to be played here, also had been cancelled. All intramural sports will be called off for 10 days.

The announcement said two new cases had been diagnosed today as "mild" cases of polio. The stricken football player is Richard D. Liechty, a senior backfield man from Lake Geneva, Wis. The second student discovered to have the disease today is William C. Butler, a senior from Winnetka, Ill. A third Yale student, Salvatore Milano, had previously come down with polio.

Northwestern 21, Pittsburgh 7—The Panthers of Pitt are lean and hungry for some Big Ten meat. But they're prowling in the wrong fair this time. The Wildcats demonstrated against Purdue they are worthy to be classed title contenders in a rugged Big Ten race. It may take time to wear down improved Pitt, but the Cats can do it.

Notre Dame 35, Washington 6—It looks like a classroom scene when quarterback Bob Williams lines up his new Irish huddle, but school will be out for the huskies. Those Irish are rough again. They smack harder in the last minute than the opening kickoff.

Michigan State 28, Marquette 0—The Hilltoppers won't ever recover from that 41-0 pasting by Wisconsin. The Spartans, on the other hand, lost little or no prestige in the loss to Michigan. They'll bring a good record to the Nov. 5 meeting with Notre Dame.

Phil Outpower N. Y. Giants 2-0
Philadelphia, Sept. 28.—(AP)—Home runs by Del Ennis and Ed Sanicki and the six hit pitching off

SALE OF FARM LANDS

Estate of Henry Tiemann
October 15, 1949
at 10:30 a. m.
South front door of Court House, Jacksonville, Illinois.
Two tracts farm land, one containing approximately 76 3/4 acres, and one containing 120 acres, all in Morgan County, Illinois.
Location: 3 miles West of Concord.
Legal description: Tract 1: North Half of South West Quarter of Section 23, in Township 16 North, Range 12 West of 3rd P.M.
Well improved, 8 room house, 2 car garage, barn, enclosed scales, cattle barn, poultry house, and corn crib (practically new). Living spring in feed lot, tiled to trough.
Tract 2: East Half of North West Quarter and South West Quarter of North East Quarter, all in Section 26, Township 16 North, Range 12 West of 3rd P.M.
Excellent house and barn. Creek through pasture.
TERMS OF SALE: 1/4 purchase price on day of sale, balance on delivery of deed. Abstracts of title furnished. Seller reserves growing crops, and will pay 1949 taxes. Present tenancy expires March 1, 1950.
Possession of house and lots on Tract 1 on delivery of deed, and possession of farm lands on Tract 1 on March 1, 1950. Possession of Tract 2 on March 1, 1950.
Farms will be shown prospective purchasers by Executor or Auctioneer.

Salem Class Buys Communion Table

The Come-Double class of Salem Methodist church recently voted \$63.46 profits from a recent ice cream social for the purchase of a communion table for the church.

New officers of the class, elected at a meeting in the Albert Sandish home, include: president, Carl Teague; vice president, Mariette Sandish; secretary, Louise Teague and treasurer, Albert Sandish.

Rev. Leslie C. Fruehnser presided. A potluck supper was served, after which devotions were given by Robert Fox.

The next meeting will be at the home of Mr. and Mrs. Russell Doyle. Mr. and Mrs. Sandish will have charge of devotions. Rev. and Mrs. Fruehnser will provide recreation.

CHURCH WORKER

Admit Confession Of Girl, 14, In Trial For Murder

Joliet, Ill., Sept. 28.—(P)—Fourteen-year old Diana Allen's signed statement that she murdered a seven-year-old neighbor boy will be admitted as evidence in her trial, Circuit Judge James V. Bartley decided

Earlier, he discussed the question at a conference with defense lawyers and the state's attorney. The jury was excluded.

Diana gave the statement to Deputy Sheriff Roy Doerfler after the body of young Charles Johnson was

body of young Charles Johnson was found in a drainage ditch last April 30. Her scarf was found knotted around his neck.

Earlier today, two Chicago police officers testified they believe Diana knew right from wrong when they found her after she had run away.

found her after she had run away from home prior to the killing. The two officers are Harold McGrath, of the Morgan Park station; and Margaret Hughes.

Both said they talked to Diana on

Nov. 1 and Nov. 8, last year. McGrath said he could not judge her sanity. Miss Hughes said "in my opinion she was sane." The child's sanity has been an issue in the case.

Midwest Soybean Harvesting Gets

Into Full Swing

Chicago, Sept. 28.—(P)—Soybean harvesting throughout the big central Illinois producing territory now is in full swing, reports to the grain trade said today. It is increasing rapidly in Indiana and getting underway in Iowa.

Yields in Illinois, which produces twice as many of the "wonder beans" as any other state, are running well over last year. Yields are expected to set a record of around 25 bushels

Prices on Illinois beans were quoted tonight at \$2.19 a bushel, track country station, for No. 1 yellow. For Indiana beans of the same grade, the quotation was \$2.17. Dealers said the price paid to country elevators would be about 2 cents lower. Elevators, in turn, would lower prices

Iowa beans are quoted on a different basis than those from Indiana and Illinois. The price was \$2.34, based on Chicago freight rates. Dealers said this meant the price at which

...stations would vary, depending upon distance from Chicago. The greater the distance, the lower the price paid elevators and farmers, overleasers said.

...pilot explained, as everybody aboard piled on the port rail. "There comes a ticky now."

A slender woman wayed from the

ank. It was a distinctive wave, a m
lower, stiffed-armed version of an pi
official's touchdown signal. Every- se
body on board answered, for Mrs. A
Gwin L. Rhoads is the unofficial
secretary for all the river boats.
At Alton locks we waited a few ne
minutes until the Pullman boat

ments until the Bull Call, bound for Quincy with two barges, got through. Before the giant locks lowered the Illini some 25 feet to the lower level, I climbed up the steel ladder imbedded in the con-

ete walls.
It was a good trip. I enjoyed
every minute of it.

**Tomorrow—The Steamboat Lady. Fr
ickey Rhoads. , Ci**

Rev. Lewis N. Raymond, minister of the State Street Presbyterian church, announced this week that Miss Margie Murphy daughter of Mr. and Mrs. Harry Murphy, 517 South Mauvaisterre street, has completed preliminary plans for enter-

ing upon full-time professional work within the Presbyterian church as a director of religious education. This post within the structure of the church is an important one and all men and women who enter it are identified with the entire educational work of the church. They serve in large churches all over the United States and share in the work with the ministry with the exception of ordination.

Miss Murphy, an upperclassman at Illinois College, has been the office secretary of the State Street church for the past two years and is serving in that capacity again. In addition to these responsibilities, she is a teacher in the junior department of the church school and conducts the special nursery class held during the church worship hour for children too young to attend church.

Upon her graduation Miss Murphy will enroll in the Presbyterian College of Christian Education which is connected with McCormick Seminary in Chicago for work toward a master's degree which will qualify her for the important life work

M'Murray College
